OUR CORE SERVICES

Civil & Structural Engineering

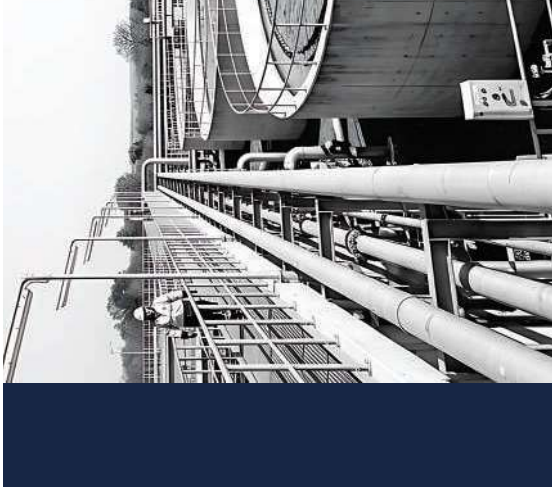

Comprehensive civil work including structural repairs, dismantling, and RCC construction. We ensure every foundation is built to last a lifetime.

Advanced Waterproofing Solutions

Specializing in high-pressure injection grouting, Sika systems, and membrane applications. We provide foolproof solutions for basement, terrace, and industrial leakage challenges.

Flagship Ongoing

Project: L&T Bandra

Client: Larsen & Toubro

Location: Bandra, Mumbai

Scope: Seamless and durable protection
